

DIF - Dual inventory fares:

- Finnair Premium Economy fares for travelling in Premium Economy cabin, operated by BA, IB or AA across Atlantic (where Premium Economy cabin exist).
- This type of fare is increasingly used around the world, and creates attractive trade up options for you to offer your customers.

Fares are filed on a private side, with ticketing code "F" (last 9th character of fare basis) with ticket designator **DIF4** (for fares originating in Europe) and DIF2 (for fares originating in US/CA).

- Levels are based on fixed upsell from economy cabin fare and based on actual availability.
- Manual ticketing at **ANY CASE, NOT PERMITTED.**
- Fare is combinable with other published fares.
