+ Finnair Plus tier guide

Thank you for your membership!

Remember to check your contact details in your account so that we'll be able to send you exclusive offers, benefits and information about your membership.

 FINNAIR PLUS SILVER

You'll reach the Silver tier when you collect at least 30,000 tier points or fly 20 Finnair or other **oneworld** airlines' scheduled flights that qualify for point accrual during your tracking period. Each tracking period is 12 months.

The **oneworld** symbol ensures that you also get your tier benefits on other **oneworld** airlines' flights. On the Finnair Plus Silver card there is a red Ruby tier symbol.

Renew your Silver tier

To renew your Silver tier membership, you need to collect 30,000 tier points or fly 20 Finnair or other **oneworld** airlines' scheduled flights that qualify for point accrual during the tracking period. If you have not earned enough points to renew your Silver tier during your tracking period, you can exchange your award points for tier points.

We serve you

 FINNAIR PLUS GOLD

You'll reach the Gold tier when you collect at least 80,000 tier points or fly 46 Finnair or other **oneworld** airlines' scheduled flights that qualify for point accrual during your tracking period. Each tracking period is 12 months.

The **oneworld** symbol ensures that you also get your tier benefits on other **oneworld** airlines' flights. On the Finnair Plus Gold card there is a blue Sapphire tier symbol.

Renew your Gold tier

To renew your Gold tier membership, you need to collect 80,000 tier points or fly 46 Finnair or other **oneworld** airlines' scheduled flights during the tracking period. If you have not earned enough points to renew your Gold tier during your tracking period, you can exchange your award points for tier points.
